I was told that Sunday's lesson by **Todd Davis** was in typical youth ministry style. Todd left this morning with the youth group in tow to Six Flags and was his bright and shining self. I thank God he is here to work with our youth on an interim basis. We are blessed to have Todd and Tina and family with us.

The **Youth Ministry Selection Team** met with the elders on Wednesday night. News from that meeting will be available for the entire congregation to let you know what is going on as soon as possible.

All you empty nesters and "**Prime Timers**" get ready as our next meeting will be the 7th of July. Remember the pot luck dinner and fellowship afterwards will begin at 6:30 p.m. We are also putting the final touches on our trip to Arlington for the **Johnny High Country Music Review**. Tickets for the show and bus ride will be around \$60.00 each. If you know of anyone who would like to go, it is not limited to the Prime Timers but it is a special event for us. You can reserve your space by calling the office. We have room for 47 on the bus. Dinner will be at a restaurant in Arlington before the show that will be Dutch Treat. Also, remember to put September 13th on your calendar for the **Prime Timer's Rally** here in Henrietta.

Can you believe that it is already July? I am excited about camp coming up. I will be bunking with a Youth Minister and an Elvis impersonator. With my snoring I don't know who you should pray for more!

I will be preaching in the prison next week. If you have been involved in the prison ministry and would like to go, let me know and we can take a group or take the bus.

I love you all, *Britt*

# TEEN BEAT

As we are in the middle of the busiest week of the summer, it is nice to sit down at my computer and just catch my breath. It seems like this is often the case, especially for our youth and our young families. As a teen, we are involved with school, involved with sports, involved with band and friends and dating. We are involved with UIL events, family activities, oh, and let's not forget we are involved with church.

When we get to college it gets even crazier. We have serious dating, serious studying, work, friends oh yeah, and church. As young adults. It still doesn't change. We work so that we can have. We work to have a car and a house and nice things. We work to support our family and to buy food and to have nice new gadgets. The more we want, the more we work. The more we work, the more we buy, the more we buy, the more debt we have both money and time to use what we have bought. Oh yea, and church. And let me tell you, looking at life squarely from middle age, it still hasn't slowed down any.

Perhaps this is why the Bible tells us to "Be still, and know that I am God." (Psalm 46:10) By the way, that chapter starts out with, "God is our refuge and strength, an ever-present help in trouble. Therefore we will not fear, though the earth give way and the mountains fall into the heart of the sea, though its waters roar and foam and the mountains quake with their surging."

I think one of Satan's trickiest devices is simply to distract us from keeping the first and greatest command "Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind," (Luke 10:27). My challenge to you this week, take time to be still. Take time to put God first. Take your eyes off the pursuits of this life and focus on God. Then everything else will fall into place. In Him,  
Todd
